

## ADVISORY NOTICE

### LAURA *version 2* Last Result presentation

### LAURA *version 2*, Catalogue No.: INS00063

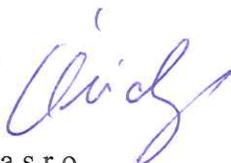

Dear customer,

we would like to inform you that the latest SW version (1.13) of LAURA *version 2* includes the possibility, which allows the last measured result to be displayed on the main screen during the measurement. Enabling this function could be switched on by user in the customization submenu (Menu → Setup → Customization → Last result).

In case of any questions, please contact your local ERBA team.

Best regards,
