19_2024_LAURA XL Addendum to UM/41/24/H

Dear customer,

We hereby inform you that a new addendum to the user manual for LAURA XL automatic urine analyser was released on June 5, 2024. The addendum describes some features that are part of the newest software (version 1.2.4.16) such as:

- new cleaning process customizable by user
- improvement on discrepancy on Colorimetry results for light color urines
- N/A flagged Results for Chemistry changed for more informative messages

and other updates based on market requests.

Erba Lachema highly recommends you refer to the addendum in complement to the user manual.

For the addendum, please contact your local service engineer or distributor to provide you with the electronic version. The addendum can be also found on ERBA Knowledge Base.

Applied for:

INSTRUMENT: LAURA XL cat.no.: INS00065

In case you have any additional question, please do not hesitate to contact us.

Best regards,

Erba Lachema s.r.o.
